POLICY AREA  SCHOOL CELEBRATIONS AND COMMEMORATIONS

PREAMBLE  The Sacred Heart School Mission Statement reflects Jesus as our model. In striving to emulate His values we encourage development of gifts and potential within the context of a Faith Community.

RATIONALE  We recognise and celebrate as a community our achievements at all levels. We also recognise the significance of celebrating and commemorating the important events within our school and wider community.

VALUES  Community
Growth
Self-respect
Witness
Respect for others
Justice
Learning
Joy
At Sacred Heart School we recognize the importance of celebrating and commemorating:

- the growth in our relationship with Jesus
- the unique gifts and achievements of our students
- the important events within our school community
- significant local and national events

CONSEQUENCES

1. Students will have an understanding of why they celebrate significant achievements and events.
2. Sacred Heart School community shall ensure that relevant events from all four areas of the policy are celebrated.
3. The Principal and staff, as custodians of The Mission Statement, shall decide on the manner in which significant achievements and events are to be celebrated.
