POLICY AREA
FINANCIAL ASSISTANCE AVAILABLE FOR SCHOOL REPRESENTATION IN CO-CURRICULAR ACTIVITIES

PREAMBLE
From time to time students are selected, individually or as part of a group, to represent the school at Capricornia/Regional, state, national and international levels. The school supports students pursuing their particular talents and abilities to the highest level. Selection comes at a financial cost to families, who sometimes struggle to meet the levies and other costs associated with representation at a high level. Within the community there are avenues for gaining financial assistance. The Parents and Friends Association is one group who will be supportive in this area. This policy seeks to assist those families of students who attain the required representative honours.
