Week 6

Term 1

Reflection

In the early 1990s, the author, Stephen Covey had a successful book entitled, 'Seven Habits of Highly Effective People'. (There is now an 8th habit.)

Now being highly effective does not necessarily mean being the managing director of a company or the owner of a successful business, it means being great at what you do. A great mum or dad, a great secretary, a great teacher, a great bank manager

Covey points out, as lots of people have beforehand, that success is about happiness and fulfilment. He then delves into the seven 'habits' which can nurture your personal growth.

In the first chapter, he suggests you pretend you are on your deathbed and to visualise who is there and what would you like to have achieved by this moment. What personal characteristics would you like to have admired in your eulogy?

This strategy helps clarify what 'centres' your life. Will you seek reconciliation with your God, comfort of your family, accolades from the media? The Prime Minister at your funeral?

Well, the point he then makes is to write down those main goals and then seek them every day. The trouble is, Covey points out, not so much 'dying early' but dying late with regrets. Interesting.

Another of Covey's principles is 'sharpening the saw' which at this time of the term seems very relevant.

He relates to a story about you coming upon someone in the woods working feverishly to saw down a tree.

"What are you doing?" you ask.

"Can't you see?" comes the impatient reply. "I'm sawing down this tree."

"You look exhausted!" you exclaim. "How long have you been at it?"

"Over five hours," he returns, "and I'm exhausted. This is hard work."

"Well, why don't you take a break for a few minutes and sharpen that saw?" you inquire. "I'm sure it would go a lot faster."

"I don't have time to sharpen the saw," the man says emphatically. "I'm too busy sawing."

This habit makes all the others possible. Sharpen the saw means preserving and enhancing the greatest asset you have - you. It means having a balanced program for renewal in all areas of our lives: physical, mental, emotional, social and spiritual. Covey states that without this discipline, the body becomes weak, the mind mechanical, the emotions raw and the spirit insensitive.

I do not know whether things would become that drastic however it does make us aware of the need for some 'down' time, doing something to re-energise ourselves especially after such a hectic and exciting start to our school year.

Finally, I was reading about the winners of an international pun competition and it is amazing how clever some people are. Here is a few winners and the writing of puns could become a past time for some that may help to 'sharpen your saw'.

A group of chess enthusiasts checked into a hotel and were standing in the foyer discussing their recent tournament victories. After about an hour, the manager came out of his office and asked them to move on. 'But why?' they asked, as they moved off.

'Because,' he said, 'I cannot stand chess nuts boasting in an open foyer.' or

Two fish swim into a concrete wall. One turns to the other and says, "Dam." or

Two Inuits sitting in a kayak were very chilly so they lit a fire in the craft. Unsurprising the kayak sank, proving once again that you can't have your kayak and heat it too.

All the best

Prayer Assemblies

Thank you to 3N who led our school in the first prayer assembly for 2018. They reminded us that during Lent we can grow to be more like Jesus through kindness and prayer. Next week's prayer assembly will be led by 2W and will focus on the love of the *Forgiving Father* in the parable of the Prodigal Son. Please come and join us in prayer at 8:40am in the MPA next Thursday.

Easter Egg Raffle Fundraiser

Our major Project Compassion fundraiser is the annual Easter egg raffle. Our Mini Vinnies members will be coordinating this popular fundraising effort over the coming weeks. We are calling for donations of Easter Eggs (if circumstances permit) from all year levels. These can be brought into your child's class or our school office.

In the final few weeks of term, these will be organised into prizes and tickets sold. The draw for the raffle will take place at the final school assembly this term. All proceeds will go to Project Compassion.

Project Compassion - Week 3

Thank you to everyone who has donated to the Project Compassion Appeal. Your generosity in helping the needy of our world is appreciated. This week's story focuses on how Project Compassion has helped Bayan from Jordan.

Bayan is a 12-year-old Syrian girl, living with her family in Jordan, a keen student, who has her sights set on a career as an ophthalmologist. She struggled to overcome the trauma of growing up in a conflict zone, facing the prospect of missing out on schooling. Now, Bayan is an academic high-achiever, flourishing in a stable school environment. Caritas provides a broad range of other education services, including preparing pre-school children for school, supporting students who have missed out on schooling to return to the education system, as well as counselling and nutritious meals and snacks at school. You can learn more about Bayan and her story here - click on the link <https://www.youtube.com/watch?v=aMq2MtD2SmM>

NAPLAN Online

Our children in Years 3 and 5 will be undertaking NAPLAN testing online in May this year for the first time. Moving NAPLAN online brings many advantages, including a test design that offers test items tailored to students' knowledge and ability.

We will also be participating in a national coordinated practice test on Monday the 26th March. This is an excellent opportunity to fine tune any technical and logistical needs, as well as familiarise students and teachers with the online testing process.

Parents and caregivers of students in these NAPLAN year levels will need to be aware of important information relating to privacy, which can be found on the NAPLAN Online Queensland website's [parent information page](https://naplanonline.qld.edu.au/getting-ready/parent-information) - (<https://naplanonline.qld.edu.au/getting-ready/parent-information>).

Parent Requesting Withdrawal from Testing: Withdrawals are intended to address parental concerns such as religious beliefs and philosophical objections to testing. Parents/carers wishing to withdraw their child from the practice test must sign a 'Notice of Parent Withdrawal' form by Monday, 19th March. Parents can obtain a request form from our school office.

Clean Up Australia Day

Sacred Heart children and staff will be conducting a whole school clean-up and grounds tomorrow, Friday 2nd March, as part of the annual Clean-Up Australia program. Each class will be designated an area to clean and will now also have a garden area to care for throughout the year. The official community clean-up day is Sunday, 4th March. If you wish to help out with a community organised event on the Coast or in Rockhampton please visit the Clean-Up Australia Day website www.cleanup.org.au or contact our local council.

Parenting Triple P Program

The results from Triple P's annual parenting survey are in. Encouraging kids to be healthy, managing screen time and dealing with kids' emotions are the three biggest worries keeping Queensland parents up at night right now. Triple P founder Professor Matt Sanders says the best thing parents can do to encourage positive behaviour is to lead by example. Kids who grow up with positive parenting do better at school and in life. Parents who do Triple P are also less stressed and depressed. Triple P is free in Queensland – do it online, in seminars or groups, or one-on-one. Visit www.triplep-parenting.net
